REASON

To provide a current revised AmSafe Aviation Inflatable Restraints (AAIR®) Supplement for the airplane Pilot's Operating Handbook.

DESCRIPTION

Revisions to the AmSafe Supplement are summarized below:

Title
Updated Title by removing part numbers.

Section 2
Added warning label for orientation of airbag and information on additional Child Seat Buckle for Middle Seats of 206 model airplane.

Section 6
Deleted bolded empty weight in all summaries and deleted last paragraph.

Whole Document
Changed Company name From AMSAFE, Inc. to AmSafe, Inc.
Miscellaneous changes as required.

COMPLIANCE

Mandatory; the revision shall be reviewed and incorporated as soon as possible, but no later than the next 100 hours of operation or 4 months, whichever occurs first.

APPROVAL

FAA approval has been obtained on technical data in this publication that affects airplane type design and as stated in the AmSafe FAA Approved Airplane Flight Manual Supplement.

CREDIT INFORMATION

Group A airplanes:

The AmSafe Aviation Inflatable Restraints (AAIR®) Supplement for the Pilot's Operating Handbook is being sent to applicable owners of record at no charge.

Group B airplanes:

The AmSafe Aviation Inflatable Restraints (AAIR®) Supplement for the Pilot's Operating Handbook should be ordered from Cessna Propeller Aircraft Customer Services. To receive a complimentary copy, please provide a copy of the logbook entry showing installation of the AmSafe Aviation Inflatable Restraints in accordance with a Cessna Service Bulletin/Modification Kit.

ACCOMPLISHMENT INSTRUCTIONS

1. Review and incorporate the AmSafe Aviation Inflatable Restraints (AAIR®) Supplement into the airplane Pilot's Operating Handbook.
2. Review the airplane Pilot's Operating Handbook Log Of Approved Supplements and compare with the existing supplements and revision dates in the Pilot's Operating Handbook.
3. Obtain and incorporate into the Pilot's Operating Handbook applicable supplement revisions, as required.
4. Make an entry in the airplane logbook that states compliance with this Service Bulletin.

NOTE: This information shall be considered an amendment to the Cessna Manufacturer's Service/Maintenance Manual or Instructions for continued airworthiness, and must be accomplished for ongoing airworthiness compliance as required per 14 CFR Part 43.13.

OWNER NOTIFICATION

On October 22, 2007 a copy of this Service Bulletin and the AmSafe Aviation Inflatable Restraints (AAIR®) Supplement for the Pilot's Operating Handbook will be sent to owners of record for Group A airplanes.

On October 22, 2007 a copy of this Service Bulletin will be sent to owners of record for Group B airplanes.
