TITLE

CESSNA PROPELLER AIRCRAFT PRODUCT SUPPORT BROCHURE

TO

Cessna Distributors and Service Stations

DISCUSSION

A convenient one-page brochure is now available which provides a contact list of personnel in Propeller Aircraft Product Support who can provide assistance with all of your support needs. Some examples are:

* Service Engineers - Factory based and local Field Service
* Airplane Papers - Replacement Pilot’s Operating Handbook, Weight & Balance, Equipment Lists
* Airplane Data Plates - Replacements for original plates
* Subscriptions - Service Bulletin Lists, publications available on Aerofiche

The brochure is printed on heavy stock and is sized and hole punched to fit in the Pilot’s Operating Handbook binder. As a complimentary service for your customers, a blank space has been provided on the brochure for you to insert your company name and contact information.

MATERIAL

A complimentary pack of 10 brochures is being sent to Cessna Distributors and Service Stations. Additional packages (10 brochures per package) are available from Propeller Aircraft Product Support at (316) 941-7950 or Fax (316) 942-9006. The part number is D7492-13 and the suggested list price is $5.00 (N) per package.
