TITLE

NEW CESSNA SERVICE STATION DIRECTORY

TO

Cessna Distributors, Service Stations, CPC's, and Owners Of Caravan I and Caravan II Model Airplanes

DISCUSSION

A new Cessna Service Station Directory is available which supersedes the previous Directory, part number D7479-13 dated March 1995.

The new directory includes the latest information for the Cessna Service organization and McCauley Propeller Service Stations located throughout the world. A new feature this year is the addition of facility business hours and service and parts manager contacts for most service station facilities.

A copy of the new Cessna Service Station Directory is included in each new propeller airplane delivered from the factory and is also being mailed to owners of Cessna Caravan I and Reims Caravan II model airplanes.

Additional copies are available from Cessna Parts Distribution for the suggested list price shown.
