TITLE

CUSTOMIZED SERVICE BULLETIN LISTING PROGRAM

TO

Cessna Distributors, Service Stations, CPC's and Applicable Owners

MODELS AFFECTED

All 1946 and On Propeller Model Airplanes

DISCUSSION

This Service Newsletter supersedes Cessna Service Newsletter SNL89-6 which announced the availability of a customized Service Bulletin Listing Program for Cessna Propjet airplanes. This program has been further developed to also include all Cessna Single Engine and Multi-Engine airplanes.

This computer program is capable of generating a customized list of Service Bulletins and Service Information Letters issued by Cessna which are applicable to a specific Cessna model and serial number airplane.

The COMPUTER LISTING will benefit:

* Existing Cessna Owners
* Service Facilities
* Sales Staff
* Prospective Cessna Owners
* Maintenance Technicians

A review of this customized computer listing is an excellent method of researching any 1946 and on Cessna propeller model airplane for compliance with Cessna Service Bulletins or Service Information Letters.

The COMPUTER LISTING can provide:

* Improved Safety
* Improved Reliability
* Increased Resale Value of Airplane
* Notification of "Credit" Programs

To obtain satisfactory results, procedures specified in this publication must be accomplished in accordance with accepted methods and prevailing government regulations. The Cessna Aircraft Company cannot be responsible for the quality of work performed in accomplishing the requirements of this publication.

The Cessna Aircraft Company, Customer Services, P.O. Box 7704, Wichita, Kansas 67277 U.S.A. (316) 946-7550, Telex: 4319022, Facsimile (316) 942-9006

This program will keep you informed regarding Service Bulletins and other service programs issued by Cessna including those providing credit coverage paid by Cessna.

Four different purchase options are available.

1. One-Time Purchase of Report (Report only)
2. Yearly Subscription (2 Reports)*
3. Yearly Subscription (4 Reports)*
4. Yearly "Service Bulletins Only" Subscription (No Report)*

* Each subscription includes a paper copy of each new Service Bulletin and Service Newsletter issued by Cessna during the one-year subscription period that is applicable to the airplane model specified.

Each report provides the following types of information for each publication listed on the report. A sample report is attached.

* Publication Number
* Date Publication Issued
* Compliance Category (Mandatory, Recommended, Optional)
* Title of Publication
* General Publication Information
* Part Number of Service Kit/Accessory Kit (if applicable)
* Credit Expiration Date (if applicable)
* Mechanic's Signature Block

The Service Bulletin Listing Program is fully described in the attached brochure. Additional copies of the brochure are available from the Cessna Supply Division as shown below.
