DISCUSSION

A new Cessna Propeller Aircraft Special Tools Catalog is now available.

The new catalog lists special tools and equipment used to support Cessna propeller model airplanes listed above. Each special tool and piece of equipment is provided with an illustration, part number, short description of use, airplane applicability and manual reference. This new catalog supersedes the following publications:

D5487-13 Piston Aircraft Special Tools Catalog
D5510-13 Conquest Special Tools and Support Equipment Catalog

Complimentary aerofiche copies of this catalog are being sent to all Cessna Distributors and Service Stations. The catalog is available from the Cessna Supply Division for the suggested list price shown below.
