DISCUSSION

Slick Aircraft Products Division of Unison Industries, has a Master Service Manual (P/N F-1100) which is available to anyone on an annual subscription basis.

The manual contains technical information such as installation/operation manuals, Cessna DSD required L-1020 and L-1037 maintenance/overhaul manuals, application and cross reference data, service bulletins, service letters, advertising/promotional information and pricing. Revisions and supplements are issued to keep the information current.

To obtain additional information and a Slick Subscription Service Order Form, contact Bonnie Gunderson at Slick Aircraft Products, 530 Blackhawk Park Avenue, Rockford, IL 61108 USA. Telephone: (815) 965-7704/Telex: 9103808038 Slick Aircraft.
