October 1, 1979

SE79-50

SUBJECT: ALTERNATOR BELT

AIRCRAFT APPLICABILITY: Model 180, 182, 185, 188, 206, 207, 210 and P210 aircraft (Including Reims Aircraft)

An improved alternator belt is now being used on the 60 and 95 amp alternator installations on the above aircraft.

The improved belt (Part Number S2416-1-31.0) has a longer service life and should be used as a replacement on all alternator installations which previously used the S1597-1-30.8 alternator belt.

It is available through the Cessna Dealer Organization. The suggested list price is $5.34 (S).
