SPECIAL NOTE TO CESSNA
ZONES AND DEALERS

June 30, 1980

Attachment #2
SE80-41

Credit Information

Service Information Letter SE80-41 issued March 31, 1980, called for compliance with Avco Lycoming Service Bulletin #449 and Teledyne Continental Motors Service Bulletin #M80-7. SE80-41 did not specify a closing date for the Credit Program announced at that time. Now that parts are generally available, a closing date has been established as follows:

The parts and labor allowance described in the special instructions of Service Information Letter SE80-41 will be paid for compliance, provided the work is accomplished and a credit claim submitted by a Cessna Dealer prior to the following dates:

Domestic ........... October 1, 1980
International ........ December 1, 1980
